

HITCH™

Bottle and Cup, together at last.

18oz bottle with a removable
12 oz. cup & lid hidden inside

Hitch believes that convenience and sustainability should go hand-in-hand. That's why they created the Hitch Bottle & Cup, the first full-size bottle with a removable barista-approved cup and lid hidden inside. With a bottle you'll love and a cup that's always with you, live zero waste and carry better.
